

EcoVisio in Action - August 2019

IarmarEco 2019 - come and join the 'greenest' fair!

Autumn brings forth a new edition of IarmarEco, the most awaited eco-event of the year. Natural and handmade products, various NGOs, interesting workshops, panels with experts on different topics, group workshops, kids' activities, healthy food, chill-out & concert areas, and many many more will be in store for you between 14 and 15 September at Kentford (Chișinău). [More info about the event here](#)

What We've Been Up To

[Read more on our website](#)

Early Grapes Festival

Volunteers working hard at the

The 'AuGust' Festival (August 18) brought to Durlleşti many farmers with their tasty grapes, amongst other seasonal fruits. EcoVisio co-organized the event, where we took part with our #FoodIsLove campaign. [Details and colorful pictures here](#)

30 facilitators participated in the "Wave / Volna" summer camp

Between 28 July - 4 August, facilitators from Moldova, Ukraine, Russia, Belarus and Poland worked side by side in 3 different Moldavian locations: Chişinău, Rîşcova and Vadul lui Vodă. [Find out how it went here](#)

"Cartoful Rîşcovean", health and flavour

Rîşcova is still growing natural potatoes, treated only with mustard seed mix. The 5 farmers had tasting events and work visits throughout the summer, and are now preparing an info-video. [Photos and orders on their Facebook page](#)

Rîşcova Horse Sanctuary

Between 8-12 August we had our second clay work meet-up at the Sanctuary. The volunteers present covered the walls in the last layer of clay and insulated them with reed. The next meet-up will take place between 30.08 - 5.09, [see how you can join](#)

Seed It Forward 2018 Report

Last year, our Seed It Forward initiative planted trees. Lots of trees. Aside from this, they also held seminars, made lots of info materials and continued to promote composting in villages as well as cities. [See their annual report for 2018 here](#)

Coming Up Next

[Read more on our website](#)

ClimateLaunchpad Moldova 2019 National Finals - 7 September

ClimateLaunchpad Moldova's six finalist teams will get to pitch their start-up ideas at the National Finals. Two of them will move forward to the Global Grand Final, where participants from 55 countries will compete for a chance at €105.000. [See details here](#)

Hai Moldova campaign launch - let's deal with electronic waste

Between 15.09-15.10, Hai Moldova will help schools become collection points for discarded electronics. In addition, they will run a national awareness campaign on this topic and launch the online platform FărăDeșeuri.md. [More on this here](#)

New volunteer at the Eco-Village

Svea came from Germany to join Eco-Village Moldova, where she will volunteer until mid-October. Her passions include organic agriculture and ethical communication with horses. [More about Svea here](#)

Trans.History through Moldova

More than 70 teachers from all over the country will participate in the Trans.History project, run in partnership with EcoVisio. Starting September, they will learn about local Jewish histories. [Read more here](#)

Our Friends' Initiatives

What can be done about water issues?

Young people active in the water sector are invited to apply for the European Youth Parliament for Water in Nizhny Novgorod. [More details here](#)

Extinction Rebellion MD at FFF summit

The Extinction Rebellion Moldova movement was at the international Fridays for Future summit in Lausanne, Switzerland (5-9.08). [Read about their experience here](#)

Map of storks' nests in Moldova

SPPN published the results of their 2019 census on storks' nests in the country, including a map of the nests' locations. [See the study conclusions here](#)

Humans of EcoVisio

Since 2015, Tania has been involved in several of EcoVisio's projects: she came to our planting events, won an activEco program mini-grant and even visited Lake Baikal in Russia. Right now, Tania is coordinating this year's IarmarEco and is also looking for a flat to rent (tips and offers are welcome).
